TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

A Forest Scene. The picture shows a typical beauty spot in the Fiji Islands, the particular scene being a favourite bathing place on Vanua Levu, the second largest island of the group. Profuse vegetation is a great feature of Fijian scenery, literally millions of cocoanut palms growing on the islands. The natural products of these trees is in fact the main item in the islands' export trade.
